

Purfresh SPACE

Americas #1 Odor, Carpets, & Restoration Tool

SPACE by Purfresh Clean is a **fully automated, non-labor system** to disinfect everything in unoccupied rooms. The SPACE unit cleans surfaces, fabrics & the air within a space leaving a **disinfected, mold and odor free space.**

Purfresh SPACE - 2420

→ **Eliminate challenging home & office odors at the source caused by smoke, pets, food, bathrooms, must, and mildew & more**

→ **Completely destroy lingering carpet odors remaining after deep carpet washing service**

→ **Eliminate and prevent mold re-growth, and destroy air and surface mold spores after flood and mold, tear-out restoration work.**

Don Said

Stanley Steemer

We use Purfresh SPACE to remove odors from clients homes. Last week Purfresh allowed us to remove deep problematic urine odors from a house. Customer was so happy afterwards.

Alex Porter

Blue Oak Brewing Company

We needed a safe and highly effective way to remove rodent and odor issues from our growing craft brewery in San Carlos California. The Purfresh SPACE system has been amazing.

Jelena Spajic

Stay Awhile Villas

We had a tobacco odor issue in one of our luxury short-term rental properties, needed a fast solution, Purfresh fixed it. They corrected the issue quickly, I will use them again!

What makes SPACE Different?

The Purfresh Clean SPACE system is the latest in cleaning technology and unlike any other O3 cleaning system due to its **completely automated, remote**, and smart-scheduling operation.

Only SPACE by Purfresh produces and controls O3 concentration levels in the air, at user setpoints, and moves rapidly throughout all areas of an enclosed space, including **hard-to-reach areas, surfaces, fabrics**, overhead spaces, and tight corners.

Our remote monitoring app dynamically controls and records O3 levels and atmospheric conditions in the treatment space giving **ultimate safety and protection to people and property**. No other O3 system offers this!

- ***Owner/Operators of Purfresh SPACE can generate new additional service revenue up to \$800 per day or more from each leased or owned Purfresh SPACE unit.***
